This event is open to ALL bridge players (women) in WA – all players of all levels of experience are welcome. Players who do not wish to contend for selection are more than welcome to play in this stage.

The 2022 Interstate Women's Team selection format will be a Butler style movement. The top 3 pairs will qualify for the team. However, Non-Contending pairs* must, at the start of the event, declare their status. The number of sessions advertised in the calendar may be reduced if entries are insufficient.

As of January 1 2022, ALL BAWA sponsored Red Point events require all participants to be fully vaccinated against COVID19. You are able to register your COVID19 vaccine status on the MyABF website when you enter. Further details re compliance will be published early in 2022.

2021 Winners Marnie Leybourne & Leone Fuller

* Contending pairs – A pair who warrants that they are available to play, at the ANC, in the event category relevant to the selection event. Non-contending pairs warrant that they are unavailable for selection in the team relevant to the selection event. Barring extra ordinary and / or unforeseen circumstances, penalties will apply should pairs change their contention status.

If you are keen to improve your standard of play then playing in BAWA events is a must. You do not have to be an expert to play in these events. ALL players of ALL standards are welcome. Don't forget BAWA events carry the highest rating (double congress rate) for those hard to earn RED MASTER POINTS.
