

## Strong field turns out for Rosendorff Women's event

With 46 pairs, it was always going to be a success and a hard fought competition at the inaugural Rosendorff Womens' Swiss Pairs on Sunday 1 October. With such a strong turnout, there's no doubt this event has huge support and will hopefully be a mainstay on the BAWA bridge calendar. The room was filled with our usual State playing cohort, but it was heartening to see so many players who have never played in a State competition. We certainly hope the experience was positive and that we see you back next year.

Keeping the name Rosendorff in the event name is fitting. Many of you know Hans Rosendorff was a strong advocate for women and women's bridge in Western Australia. Congratulations to the winners of this year's event.
