

BAWA members are clubs not individual players.

BAWA is keen to create a virtual club of players keen to find out more about BAWA events with a view to participate.

If you already have a MyABF login AND have played in at least on BAWA event then we have a record of your ABF number, Name and Email – you need to do no more.

If you are keen to find out more about BAWA and BAWA events have not registered with MyABF please email me

Ian Clark at iclark1@inet.net.au

Let me know your name, ABF number and email address.
